RE: Proposed Subdivision of Residential Lot  
54 Old Post Road, South Kingstown:

Dear Mr. Cass:

We have received the plans for the proposed subdivision of the residential lot located at 54 Old Post Road (A.P. 63-1, Lot 33) in South Kingstown and your request for our acknowledgment that no work will take place within the State Highway Right of Way (ROW) as required by the Town of South Kingstown. Based on our review of the plans (copy attached), field review of the existing driveway, and the letter you provided on July 28, 2022, we have determined that no Physical Alteration Permit will be required for this subdivision.

Please allow this letter to serve as notice to the Town of South Kingstown that we have no issue with the proposed subdivision of the residential lot per the plans submitted to our office. Should you have any questions please contact the reviewing engineer, Sam Lapatin, at 401-734-4857.

Sincerely,

Joseph A. Bucci, P.E.  
State Highway Maintenance Operations Engineer
