RE: McGuirl Preliminary Subdivision Application
Seaview & Summit Avenues
A.P. 58-1 / Lot 84

Dear Mr. Parker,

Please find enclosed the following materials for a proposed three lot subdivision located on both Seaview and Summit Avenues in the northeast section of town. This small, 60,000 s.f. project will create no new roads and no wetlands or coastal features exist on the parcel. These materials are being delivered following the Preliminary Plan Checklist for a minor subdivision of this sort. The materials are also transmitted digitally. Within this transmittal are the following:

- The Application Fee: \$ 260
- Sixteen (16) Copies of the Application Form
- Two (2) Copies of the Project Team Form
- One (1) Notarized Owner's Authorization Form
- Ten (10) Copies of the Vicinity Map
- Ten (10) Copies of the Aerial Photograph
- Six (6) Copies of the Project Plans
- Two (2) Copies of the Project Narrative
- Two (2) Copies of the RIDEM Approved Soil Forms
- Two (2) Copies of the Wetland/Coastal Affidavit
- Two (2) Copies of the Veolia Water Availability

Please review these materials and contact me to advance this project through this stage of review.

Best Regards,

Jeffrey J. Campopiano, P.E.
