With reference to your application for approval for South Kingstown Sewer Service, it is the finding and determination of the Director of Public Services that you do qualify under the terms of the existing South Kingstown Wastewater Ordinance Chapter 19, Article II of the Town Code and all Amendments thereto.

It has been determined that you shall be allowed to connect to the Sanitary Sewer System provided you agree to abide by all conditions, restrictions, standards, specifications, and design criteria and to pay all fees which may be established by the Town of South Kingstown. All conditions of the Wastewater Ordinance apply to this case.

Richard J. Bourbonnais, PE
Director of Public Services 

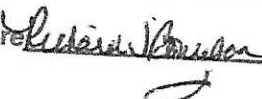

I hereby certify that I have the authority to make the foregoing application, that the application is correct, and that the owner of the aforementioned property (Plat 40-1; Lot 4), and the undersigned agree to conform to all applicable codes and ordinances of this jurisdiction in addition to stipulations as stated in the Engineering Review form.
