

## DEVELOPMENT PLAN REVIEW CHECKLIST

**To initiate the application, the applicant shall submit to the Administrative Officer:**

1. Sixteen (16) copies of the Project Review Application Form, printed double-sided;
2. Two (2) copies of the Project Team Form\*;
3. One (1) notarized Owner Authorization Form for each owner of property proposed for development\*;
4. Six (6) full size, paper copies of each required plan, as indicated in Sections (B), and (C), below;
5. The number of copies of each of the required supporting materials indicated in Section (D), below, printed double-sided as may be appropriate; and
6. PDFs of all application materials (all application forms, plans, and supporting materials), which are to be uploaded to the Town's FTP site.

*\*Forms must be submitted with each application. If no change has occurred in the Project Team or related to the ownership of the parcel since Conceptual Master Plan review and approval, duplicate copies may be submitted with notation of current date of submittal.*

If subsequent submittal of a revised plan set is required, the Administrative Officer will indicate how many full size and/or reduced copies are required. Each revised plan set shall also be submitted as a PDF(s). **When the plan set is ready for review by the Planning Board, ten (10) reduced (11 x 17) copies of the plan set will be required.**

The Administrative Officer shall have the authority to determine if any of the requirements of this Checklist are not applicable to the proposed development and therefore not required for a Certificate of Completeness to be issued.

**(A) Every plan sheet submitted pursuant to Sections (B) and (C), below, shall contain the following information:**

1. Name of the proposed land development project
2. Name and address of the applicant
3. Name and address of the property owner
4. Name, address and telephone number of the engineer and/or land surveyor who prepared the plan
5. Date of plan preparation, with all revision date(s), if any
6. Graphic scale
7. True north arrow

8. Plat and lot number(s) of the land being developed
9. Zoning district(s) of the land being developed; if more than one district, zoning boundary lines must be shown
10. Perimeter boundary lines of the development, drawn so as to distinguish them from other property lines, with dimensions indicated
11. Location, width and names of existing public and private streets within and immediately adjacent to the development parcel(s)
12. Perimeters of wetland areas on the development parcel(s), if any, as flagged by a certified wetlands biologist and verified by RIDEM, and associated wetland buffers as defined by RIDEM
13. Buffer areas, as defined by RIDEM, for any wetlands located on parcels adjacent to and extending into the development parcel(s)
14. Coastal features adjacent to the development parcel(s), if any, as identified or flagged by a certified wetlands biologist and verified by RI CRMC, and associated wetland buffers as defined by RI CRMC
15. Boundaries and notation of the FEMA Flood Zones within and immediately adjacent to the development, including base flood elevation data for applicable zones

**(B) Existing Conditions Plan(s)**

The applicant shall submit an Existing Conditions Plan(s), which shall accurately depict the following information, in addition to the information listed in (A), above:

1. Area of the development parcel(s)
2. Existing easements and rights-of-way within or adjacent to the development parcel(s), with a notation of the Book and Page reference to the South Kingstown Land Evidence Records
3. Plat and lot numbers of all abutting property and property immediately across any adjacent public or private streets
4. Names of abutting property owners and property owners immediately across any adjacent public or private streets
5. Notation of existing ground cover with depiction of any existing wooded areas
6. Location and size of trees with a caliper of fifteen inches or greater that are within the area proposed for disturbance or alteration

7. Boundaries and notation of the soil types classifications for the entire area of the development parcel(s), as identified by the most recent USDA RI Soil Survey
8. Identification of areas containing prime agricultural soils and farmland soils of statewide importance, or, if no such soils are present on the site, a notation indicating such
9. Depiction of areas of existing, active agricultural use, or if no such use is present on the site, a notation indicating such
10. Existing contours at intervals of two (2) feet, with identification of ridge lines of existing hills
11. Boundaries of applicable watersheds for the subject parcel
12. Location and approximate coverage of any existing streets, driveways, farm roads, woods roads, and/or trails that have been in public use (pedestrian, equestrian, bicycle, etc.)
13. Accurate location, size, and use/type of existing buildings or significant above-ground structures on the development parcel(s)
14. Approximate location and size of existing buildings or significant above-ground structures on parcels immediately adjacent to the development parcel(s)
15. Accurate location, size, and type of all existing above and below ground utilities, including sewer, water, gas, electric, stormwater drainage and communications or telecommunications infrastructure, as may be present on the site or within the right of way along the property frontage
16. Location and assumed perimeter of historic cemeteries on or immediately adjacent to the development parcel(s), or, if no historic cemeteries are present on the site, a notation indicating such
17. Location of any unique historic features present on the site, including but not limited to stone walls, or if none, a notation indicating such
18. Location of any unique natural features present on the site, or if none, a notation indicating such
19. Notation indicating that the development parcel(s) are located or not located within the following areas of special concern:
  - a. Natural Heritage Areas, as defined by RIDEM
  - b. The area under the jurisdiction of the Narrow River Special Area Management Plan, as defined by RI CRMC

- c. The area under the jurisdiction of the Salt Ponds Region Special Area Management Plan, as defined by RI CRMC
  - d. The Town of South Kingstown Groundwater Protection Overlay District
  - e. Areas within a TMDL watershed, as identified by RIDEM and the Town of South Kingstown
  - f. An OWTS Critical Resource Area, as defined by RIDEM
  - g. A Drinking Water Supply Watershed, as defined by RIDEM
20. Notation indicating that the development parcel(s) or any buildings(s) within the parcel is or is not listed on the National Register of Historic Places
21. Certification by a RI Registered Land Surveyor that a perimeter survey of the land being developed has been performed and meets a Class I standard for property lines and a Class III standard for topographic and existing conditions information

**(C) Proposed Conditions Plan(s)**

The applicant shall submit a Proposed Conditions Plan(s). Any utility, monumentation, or other physical improvement details shown within the Plan(s) shall conform to the standards found within the Subdivision and Land Development Regulations. The Proposed Conditions Plan(s) shall accurately depict the following information, in addition to the information listed in (A), above:

1. Location, size, and use/type of proposed buildings and structures
2. Any proposed on- and/or off-site improvements, including access drives, loading areas, parking areas, sidewalks, and bicycle paths
3. Proposed easements and rights-of-way within the subdivision parcel(s), or those to be acquired adjacent to the development parcel(s) as may be necessary
4. Proposed location, size, and type of all above ground and underground utilities servicing the property, including wastewater, water, gas, electric, stormwater drainage and communications or telecommunications infrastructure, as may be required for site development
5. If proposed, plan and profile design information for any extension of public or private utility infrastructure
6. Location, dimension, and proposed use of any area of land proposed to be set aside as open space

7. The locations and design details of any On-Site Wastewater Treatment System(s) proposed for use within the development
8. The locations of any private or community wells proposed for use within the development
9. Limits of disturbance/work relative to on- and off-site improvements and infrastructure installation
10. Grading plan(s), to show proposed contours at 2-foot intervals for all grading proposed for on- and off-site improvements
11. Landscape plan(s), to show all significant proposed clearing of land, removal of existing vegetation, re-vegetation, landscaping on street rights-of-way, and within common areas, and landscape installation details and related notations
12. Stormwater management plan(s), to show accurate designs and details of proposed stormwater management infrastructure, including type, location, and configuration, prepared by a Registered Professional Engineer
13. Soil erosion, run-off and sedimentation control plan(s)
14. All utility and site improvement related details, including those related to the installation of streets, sidewalks, drainage systems, and utility infrastructure both on- and off-site, as applicable
15. Proposed phasing, including depiction of which on- and off-site improvements are to be installed in which phase, if applicable
16. Certification by a RI Registered Professional Engineer that the construction drawings are correct

#### **(D) Supporting Materials**

The following supporting materials must be submitted at the time of application:

1. For developments proposing an increase to lot building coverage and/or total impervious surface within the development parcels, **2 copies** of drainage calculations, associated explanatory narrative, and all supporting documentation, including an Operations and Maintenance manual for the system
2. For developments proposing new service by public water, **2 copies** of a written statement from the appropriate water company or district that the proposed plan, with plan revision date indicated, has been reviewed and which provides:
  - Approval of connection to the existing water main as depicted on the plan; and,

- If extension is proposed, approval from the company or district of the extension of the water main as depicted on the plan
3. For developments proposing new service by public sewer, **2 copies** of a written statement from the Town of South Kingstown Department of Public Services that the proposed plan, with plan revision date indicated, has been reviewed and which provides:
    - Approval of connection to the existing sewer main as depicted on the plan; and
    - If extension is proposed, approval of extension of the sewer main as depicted on the plan
  4. For developments proposing new service by OWTS(s), **2 copies** of an On-Site Wastewater Treatment System permit issued by RIDEM
  5. For developments proposing new physical access to a State right-of-way, **2 copies** of a RIDOT Physical Alteration Permit
  6. For developments proposing use of existing physical access to a State right-of-way, **2 copies** of an amendment to the original RIDOT Physical Alteration Permit, or of a letter from RIDOT indicating that no further RIDOT approval is necessary
  7. For developments with freshwater wetlands present on the development parcel(s), **2 copies** of either:
    - An RIDEM wetlands permit, if required pursuant to RIDEM rules and regulations; or
    - A letter of non-jurisdiction from RIDEM
  8. **2 copies** of any RIDEM stormwater or other general construction permits that are required, or an affidavit, signed by a qualified professional, stating that no RIDEM stormwater or construction permits are required
  9. For developments with coastal features and/or buffer areas adjacent to or within the subdivision parcel(s), **2 copies** of a Preliminary Determination, including coastal feature verification, from the Coastal Resources Management Council
  10. **2 copies** of written confirmation that the applicable Fire District has reviewed the proposed plan(s) and approves the proposed design relative to emergency vehicle access and fire suppression requirements
