Re: **Broad Rock Road Subdivision**

Attention: Steve Andrus

This letter is to inform you that water service is available for the Broad Rock Road Subdivision from the Veolia Water Rhode Island system. We have reviewed your plans and approve as presented as well as the Willingness to Serve application. **Please be aware that there is a moratorium on new services from November 1, 2024 - April 1, 2025 per the Veolia Water Rhode Island Tariff.** It is understood that the new water line service will be separated by at least 10 feet from any sewer line/extension.

If you have any questions, please contact me at (401) 789-0271 ext 1025 or Michael McManus, Planning Coordinator at extension 1020.

Regards,

Patrick Grant
