Dear Mr. DePaola,

We are pleased to provide services as a State approved monitoring agency for your proposed affordable dwelling unit to be constructed at 10 C Oak Dell Street owned by yourself and Lindsey E. Crowninshield.

This letter confirms that Narragansett Affordable Housing Corporation agrees to qualify that the occupant is income eligible and that deed restrictions are provided for recording. This offer is contingent upon the developer receiving all necessary zoning approvals from the Town of South Kingstown.

If you should have any further questions feel free to contact me at anytime at 401-789-9489.

Sincerely,

Michael C. McLoughlin
President
